**Subject:** Heads Up: Bay Delta Announcement

Hi Jared,

Jane and I took the call with Karla today. She told us that the Gov. will be making an announcement on Bay Delta at a press conference Thursday noon. He will talk about the redirection – (alternative 4a) and also will announce the new Water Czar whose job it will be to lead the habitat restoration efforts which are no longer part of the BDCP, but the State says they will implement.

We are likely to get press calls. Lisa and Suzanne and co are preparing a desk statement – which will be very short. We don't generally post comments on administrative drafts on our web site. However, they are considered public documents, so if the press asks for copies, we will release the comments. Let me know if you would like to review the desk statement or if you are interested in taking press calls.
